### AMEA Power attains financial close on 120MW Tunisia solar project

United Arab Emirates-based renewable energy developer AMEA Power has achieved financial close on its 120MW solar plant to be built in Tunisia. With an investment of \$86m (Dh315.84m), the solar project will be AMEA Power's first asset in the country.

### AMEA Power plans \$15bn hydrogen investment in Africa

AMEA Power, which is a climate sponsor at Cop28, signed two deals to develop a 100-megawatt (MW) wind farm and 100MW solar photovoltaic plant in Mauritania, de-risking the development of the green hydrogen plant. The company also secured a 25MW solar-plus-storage power purchase agreement in Djibouti last month.
