producer.

## Scatec reaches financial close in Botswana and prepares for

4 · Scatec ASA, a leading renewable energy provider, has reached financial close for the second 60 megawatt (MW) of the 120 MW Mmadinare Solar Complex in Botswana and is preparing for construction start. In August 2022, Scatec, signed a binding 25-year power purchase agreement (PPA) with Botswana Power Corporation (BPC) for a 60 MW solar PV facility in the ...

## Botswana's solar dream - YourBotswana

Therefore, this proves Botswana's potential to become a global renewable energy hub, given its abundant solar resources. "A key strategy is the unbundling of Botswana Power Corporation (BPC), allowing transmission to operate independently and encouraging innovation and technology adoption in the sector. We need to break up the power chain.
