Aristoklia Solar - Photovoltaics - Aristoklia Solar

At Aristoklia Solar Ltd, our vision is to renew Cyprus economy through solar energy. Solar is not only the nation fastest growing renewable energy source, but a vital part of our country's economic recovery. Whether you are an energy consumer or an energy producer it is time to learn about the benefits of solar and how to join the solar economy.

Top Lithium-Ion Battery Suppliers in Cyprus

Lead-acid batteries are only 80%-85% efficient, depending on the model and condition. This means that if there are 1,000 watts of solar coming into the batteries, there are only 800--850 watts available after the charging and discharging process. Meanwhile, lithium-ion batteries are more than 95% efficient.

Cypenergia

Since 2012 Cypenergia has been providing turnkey solar solutions adapted to each customer's individual needs. Our achievements place our company among the leaders in the field of energy, in Cyprus, with outstanding price-performance ratio solar plants that transform solar energy into green assets by maximizing value and mitigating risks.
