Jaycar offers a diverse range of batteries, from cost-effective disposable options to high-performance 12V lithium and lead deep cycle batteries. Our selection includes everything needed to power devices from watches and remote controls to ...

Home Batteries

Batteries in homes and businesses may seem individually small, but they could have a significant impact when combined. As an example, 120,000 homes (or 5% of households in New Zealand) with a medium-sized battery could

potentially reduce the peak load as much as our largest hydro power station, Manapouri.
