### La plus grosse batterie de stockage de France en Nouvelle ...

Le gouvernement a pris un arrêté autorisant la société Akuo Energy à exploiter un parc de stockage d'électricité sur la commune de Boulouparis. Cette installation, destinée à participer à la décarbonation du mix énergétique calédonien, sera la plus grosse batterie de stockage de France.

### Akuo to build France's largest battery in New Caledonia

Nouméa (New Caledonia), August 23, 2023 - Akuo, an independent global renewable energy power producer and developer, has been chosen

by the New Caledonian Government to construct and operate an electricity storage facility capable of delivering 50 MW for 3 hours every day throughout its life cycle (12 years). To do this, Akuo is planning to

### **Batteries helping bring solar future to New Caledonia**

The French overseas territory of New Caledonia has hailed the switch-on of a 16MWp solar farm, with battery energy storage to be later attached, and another standalone 5MWh battery

### **Total Opens New Caledonia's Largest Solar Power Plant With Battery ...**

The Hélio Boulouparis 2 project consists of over 58,000 solar panels with a cumulative peak capacity of 16 MW - enough to cover the energy needs of over 21,000 residents of New Caledonia. The plant will also feature a lithium-ion battery storage system with a capacity of nearly 10MW (The hours of storage were not released)..

### **Akuo to deploy 200 MWh of battery storage in New Caledonia**

Akuo plans to deploy 200 MWh of battery storage in New Caledonia, supplying 50 MW for three hours per day over 12 years. The facility will primarily support the operation of nickel mines

### Total opens New Caledonia's largest solar power plant with battery

French oil and gas major Total has this week inaugurated the Hélio Boulouparis 2 solar project in New Caledonia, the largest solar power plant in any French overseas territory. The Hélio Boulouparis 2 project consists of over 58,000 solar panels with a cumulative peak capacity of 16 MW - enough t
