## Berkes energy Guinea-Bissau

---

### Berkes Energy

Berkes creates tailor-made energy solutions using our engineering know-how in all possible applications. Focused on clean burning systems for biomass and waste, combining the knowledge and expertise of our professionals to provide the most reliable and suitable solution for each particular application.

### ENERGY

The Berkes ENERGY area is characterized by the design, manufacture, supply and assembly of industrial and power boilers, in a wide range of aspects, being able to offer world-class technology for a large number of biomass fuels and waste.

### Portrait of Renewable Energy sector In Guinea Bissau

SNV is starting a new area of focus in Guinea Bissau: Renewable Energies. The main objective of this paper is to provide SNV Guinea Bissau a portrait of the current status of Renewable Energies (RE) sector in Guinea Bissau, main actors and opportunities of intervention that can lead to a positioning of SNV in this sector.

### Offshore Exploration: The Future of Guinea-Bissau's Energy Sector

The underlying offshore exploration potential of Guinea-Bissau has long been recognized given

the country's functional hydrocarbon system, good potential reserves, and several drillable prospects in a vast shallow water shelf setting.

## Solutions

Specialists in biomass energy projects solutions. Berkes has always worked to meet the needs of its clients, delivering a tailor-made solution for each particular case. Berkes can cover everything from power generation plants in EPC or EPCM format to the conversion or upgrade or conversion of existing boilers.

## Guinea-Bissau Energy Situation

Find relevant data on energy production, total primary energy supply, electricity consumption and CO2 emissions for Guinea-Bissau on the IndexMundi homepage. Find relevant information for Guinea-Bissau on energy access (access to electricity, access to clean cooking, renewable energy and energy efficiency) on the Tracking SDG7 homepage.

## Offshore Exploration: The Future of Guinea Bissau's Energy ...

Offshore Guinea-Bissau is due to see some potentially transformative exploration drilling in the new future, and this drilling can have a great role in reshaping the energy sector in the West African country.

## **Berkes brings BWE to new heights , Bioenergy Insight Magazine**

In 2021, Berkes acquires Burmeister & Wain Energy (BWE), a company with almost 180 years of history and solid experience in the design and manufacturing of steam boilers. This acquisition has represented a turning point for Berkes, enabling the company to enter new markets and expand its footprint across Europe and other strategic regions.
