

Bermuda teko solar

Bermuda teko solar

Teko Solar

Established in 2010, Teko is a worldwide energy and manufacturing group. Teko's initial business is solar system integration and solar power plant development. With a deep understanding of solar product demands, Teko expands into the manufacturing and sales of solar modules and storage batteries.

Background , BetterEnergyPlan

In 2018, BELCO proposed a 20 year plan for the future of Bermuda's energy supply. BE Solar commissioned an alternative plan by sustainability engineering firm Etude, known as the Bermuda Better Energy Plan in collaboration with local non profit environmental NGO's and with the support of community members through a crowd funding campaign.
