Beyonder AS, a Norwegian leading supplier of advanced battery technology, is proud to announce an offtake agreement of 76MWh of BePowered products. This milestone has been reached through a commercial partnership with international partner nano power, a company within the EBZ Group.& n

Beyonder

Beyonder is an innovative Norwegian Energy Storage-Technology company, focused on high-capacity batteries for industrial use. We have a clear strategy and ambition to become one of the world's most sustainable high-capacity battery cell technology company, increasing the use of renewable energy in industrial applications world-wide.

Beyonder - DSD

Beyonder was established in Stavanger in 2016 and develops and produces battery cells for a new type of energy storage solution with higher power, fast charging, long service life for industrial use. Using superactive carbon made from sawdust from the Norwegian forest industry, Beyonder produces battery cell technology for tomorrow's green
