Energy Industry Companies and Suppliers in Bosnia and Herzegovina

Distributor in Beograd, BOSNIA & HERZEGOVINA AMETEK Land (Land Instruments) is the world's

leading manufacturer of monitors and analysers for industrial infrared non-contact temperature measurement, combustion efficiency and environmental pollutant emissions.

Home []

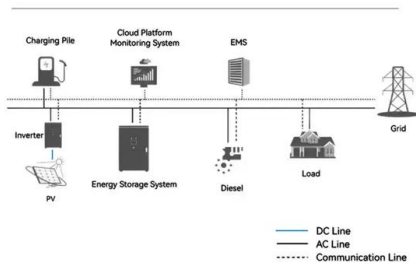

Modular Integration Systems DC/AC/DC gives different backup power for AC and DC power consumption, with required energy level also. The power from inside battery changed by modular inverter to AC power (single or three phase) and by DC/DC converter changed to required range of DC voltage, during black out from distribution mains.

Bosnia and Herzegovina

BiH is in the process of finalizing a National Energy Climate Plan (NECP) to address energy efficiency, renewables, greenhouse gas emissions reductions, interconnections, and research and innovation. An approved NECP with a clearly laid out decarbonization strategy is essential for BiH to secure further access to international and EU financing
