Overview

The British Indian Ocean Territory (BIOT) is an Overseas Territory of the United Kingdom situated in the Indian Ocean, halfway between Tanzania and Indonesia. The territory comprises the seven atolls of the Chagos Archipelago with over 1,000 individual islands, many very small, amounting to a total land area of.

knew of the Chagos Islands, which were known as Fōlhavahi in the northern Maldives, and Hollhavai in the southern Maldives. Hollhavai also referred to other islands scattered throughout the Indian Ocean, such as.

1002 (NP 1002) is directly present in the territory, and is composed of both and personnel. NP 1002 is responsible for civil administration and enforcement. Its members are tasked with policing and carrying out customs.

The British Indian Ocean Territory (Constitution) Order 2004 states that "no person has the right of abode" in the territory as it "was constituted and is set aside to be available for the defence purposes of the and.

The , started by the descendants of exiled Chagossians, has represented the islands in , including the . .

As a territory of the United Kingdom, the head of state is . There is no Governor appointed to represent the King in the territory, as there are no permanent inhabitants (as is also the case in and.

The territory is an archipelago of 58 islands covering 56 square kilometres (22 sq mi). The largest island is , which at 32.5 square kilometres (12.5 sq mi) accounts for about half of the territory's total land area. The rest of the island's are much smaller, with the.

All economic activity is concentrated on , where are located. Construction projects and the operation of various services needed to support the military installations are carried out by military, and contract employees from Britain.
