Central energy ag Guernsey

Where our electricity comes from , Guernsey Electricity

Our subsea cable is Guernsey's primary source of electricity and has delivered a 37.5% decrease in Guernsey's emissions from 1990 levels. But we still have some way to go before Guernsey is net zero.

Company to bring 'new dynamic to the energy market'

'We are looking forward to bringing a new dynamic to the energy market in Guernsey, building on the gas business that we currently have,' said IEG managing director Ian Plenderleith. 'We're all aware of the importance for Guernsey to start producing and delivering more of its energy services on-island.'
