Beyond the Grid Fund for Africa signs its first projects with

The Beyond the Grid Fund for Africa (BGFA) programme has signed its first new agreements in Zambia, after a finalised pilot programme, to support the expansion and scale-up of high-quality solar home systems and development of mini-grid connections to help provide energy access in rural and peri-urban areas in the country over a four-year

Collective Energy Africa

At Collective Energy, our mission is to transform energy storage across Africa with top-tier BYD BatteryBox LFP products. We began our journey in Kenya, where we quickly became the leading distributor of lithium-ion batteries in East Africa.

Yellow Malawi and Zambia's RDG Collective Secure \$3.25 Million ...

The funding is aimed at expanding access to clean energy in underserved areas of Africa. Yellow Malawi, a distributor of solar home systems and mobile phones to off-grid rural communities, received \$2 million, while RDG Collective, a Zambian company that provides renewable energy products, secured \$1.25 million.

Off-grid RDG Collective and seed impact investor EDFI

While the cost of solar energy solutions remaining prohibitively high for almost all off-grid households, RDG Collective came up with innovative products distributed on a PAY-AS-YOU-GO (PAYG) basis. By eliminating this financial barrier, an increasing number of households across Zambia can now access solar home systems, refrigerators, solar

Collective Energy Africa

At Collective Energy Africa (CEA), service is not just an add-on--it's the core of what sets us apart. We believe that delivering top-tier energy solutions is only the beginning. Our ...

Collective Energy Africa

At Collective Energy Africa (CEA), service is not just an add-on--it's the core of what sets us apart. We believe that delivering top-tier energy solutions is only the beginning. Our commitment to our customers extends beyond the sale, ensuring that ...

Government of Zambia and Partner Coalition commit to scale

Government of Zambia streamlines regulatory processes to facilitate smooth implementation of Decentralised Renewable Energy (DRE) solutions, including minigrids and off-grid solar solutions.

Collective Energy Africa - AFSIA

Established in July 2021 in Kenya, Collective Energy Africa (CEA) swiftly emerged as a leading distributor of lithium-ion batteries in Africa. Focused on introducing BYD, a global leader in lithium battery technology, to sub-Saharan markets, we take pride in excelling in after-sales service and local purchasing operations.

Dabafinance

Off-grid solar companies Yellow Malawi and Zambia's RDG Collective have secured a combined \$3.25 million in debt funding from Acumen's Hardest-to-Reach (H2R) initiative to expand clean energy access in underserved areas of Africa.
