Solarity Jordan is a distributor and solutions provider of photovoltaic (PV) systems offering a complete assortment of solar modules and inverters.

### **PV Solutions , Arab Technical Group**

Every day, the sun gives off far more energy than we need to power everything on earth. That's why we at ATG are investing heavily in solar plants and why we are now offering solar kits to our customers in Jordan. The renewable solar panels produce electricity by transforming the continuous flow of energy from the sun to electricity.

## Complete Solar Power Systems

Looking for a hassle-free complete solar power system? Look no further than our pre-made solar kit packages. These all-inclusive solar kits are designed for simplicity, featuring everything you need for a seamless setup and installation.
