Conteneurs solaires ERM Énergies

Site isolé dans l'Hérault, France; A propos; Contact; Accueil; FabTainers; Apptainers; Nos projets; A propos; Nous contacter; Conteneurs solaires ERM Énergies. Solutions clé-en-main pour l'alimentation solaire ou hybride de sites isolés ou de mini-réseau Accueil.

mobile solar power plants & stations

We sell a container including fold-up aluminium solar wings, each made from 8 solar panels, providing 2.4kW power and wired to the pre-fitted technical room inside the container. We offer a highly portable container, designed as a shop space, to load portable batteries, to filter water and sell clean water & energy.

Mobile Solar Container

The innovative and mobile solar container contains 196 PV modules with a maximum nominal power rating of 130kWp, and can be extended with suitable energy storage systems.

The lightweight, ecologically-friendly aluminium rail system ...

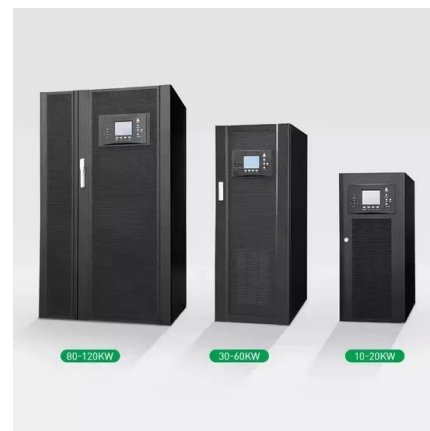

Conteneurs solaires photovoltaïques -- Enviroearth

En plus de son expertise d'installateurs de fermes solaires conventionnelles, Enviroearth a développé une solution innovante et pratique pour déployer rapidement de l'énergie photovoltaïque, y compris dans des lieux difficiles ...

Solar containers, solutions for quick solar power supply installation

ERM Energies, expert in autonomous solar installations, design custom-made solar containers proudly manufactured in France. Whatever the application, the choice of the pre-equipped container has many advantages :
