## Croatia battery storage solar power

---

### Solar power plant on Vis island to install 1 MW battery

An energy storage system will soon be installed at the largest solar power plant in Croatia, which has a capacity of 3.5 MW, said Zeljko Tuksa, President of the Managing Board of Koncar - Power Plant and Electric Traction Engineering (Koncar KET).

### Subsidy of 20 million euros for Croatian grid-scale battery project

The European Commission has allocated EUR19.8 million in the form of state aid for a number of projects for grid-scale energy storage. The subsidy was awarded to the company IE-Energy from Rijeka. This amount will cover about 30 percent of the costs for the series of battery systems planned for construction around the city of Sibenik.

### IPP Woodburn Capital targets BESS market in Croatia

Central and Eastern Europe (CEE)-based developer and independent power producer (IPP) Woodburn Capital is deploying a co-located battery storage project in Croatia, with final regulations around connecting ...

### Battery storage system , Koncar

In September 2020, KONCAR commissioned the 3.5 MW Vis SPP, the largest solar power plant in

Croatia at the time. In November 2020, we contracted the development of the 1 MW battery storage system (BSS) that can store 1.44 MW of electricity.

### Croatian startup to build largest battery system in Southeastern ...

IE-Energy is planning to build a battery system of 50 MW, which means it would be the biggest in Southeastern Europe. The European Commission has approved, under the European Union's aid rules, a EUR 19.8 million Croatian aid measure in favor of energy storage operator IE-Energy.

### Croatia investing in storage amid slow solar development

Croatia is preparing to build Eastern Europe's largest energy storage project. IE Energy has secured EUR19.8 million (\$20.9 million) to develop a 50 MW storage system, potentially extendable to

### Statkraft developing 750 MW solar capacities in Croatia

Statkraft has been active in Croatia since 2021 and this spring it acquired the Croatian portfolio of French renewable energy producer Neoen. The portfolio includes all Neoen projects in early development phase: projects for wind farms, solar power plants, and project for battery energy storage systems.

## Croatia Bolsters Energy Resilience with EUR500 Million Battery ...

In a significant stride towards energy modernisation, Croatia is setting aside EUR 500 million for the development of large-scale energy storage systems. The announcement was made by Damir Habijan, Croatia's Minister of Economy and Sustainable Development, at the seventh international energy conference hosted by Jadranski Naftovod (JANAF

## IPP Woodburn Capital targets BESS market in Croatia

Central and Eastern Europe (CEE)-based developer and independent power producer (IPP) Woodburn Capital is deploying a co-located battery storage project in Croatia, with final regulations around connecting batteries to the grid expected imminently.
