Doosan looks to expand its gas turbine business

In June 2023, Doosan reported its first supplier agreement for a 380 MW H class gas turbine, to be supplied to KOMIPO (Korea Midland Power) for its Boryeong combined cycle power plant. As already noted, a contract was placed for the Andong 2 H class gas turbine (380 MW) in January 2024, and that for the 380 MW H class gas turbine for the
