Solis brings cutting edge technology to MENA

Ginlong (Solis) a global leader in photovoltaic (PV) inverter technology, dedicated to providing reliable and innovative solar energy solutions worldwide, proudly announces its participation in Solar & Storage Live MENA, ...

Solis Energy Solutions

In Solis we provide the community with innovative energy solutions such as: Photovoltaic (PV), Building Integrated Photovoltaic (BIPV), Solar irrigation systems, Solar thermal applications, wind energy and Bio fuels.

Home , Solis

Attract the best talents around the world to work for a bright energy future in Egypt. Distribute electric power solution built with solar energy for the digital age and capable of delivering highly reliable, uninterrupted, 24X7 constant power that

is also clean and sustainable.

Solis Introduces Advanced Inverters at Solar & Storage Live MENA

Solis seeks to improve energy security and lessen reliance on unpredictable fossil fuel supplies by combining solar energy generation with dependable storage options. For Solis, the Cairo event provided an important platform on which to showcase how its technology can directly tackle some of the most critical energy issues facing developing

About Us

Solis Depot is a Solar Service company that is fully committed to supplying Huawei Solar PV inverters. We focus on providing high-quality inverters for our clients while prioritizing and managing resources in an effective and efficient way to continuously create value.

Solar & Storage Live MENA 2024: Cairo, Egypt 2024.5.29-5.30

Solar & Storage Live MENA is the stand out show for renewable energy in Egypt. Visit to discover market insights, view new products and network with industry colleagues. The local Solis team will be on hand and waiting for you.

About Us
