

Ekt battery Gabon

Ekt battery Gabon

Lithium-ion battery system

The EKT battery is specially designed to fit lithium-ion electric vehicles, and provides excellent safety and energy density while maintaining the same form factor as a regular lead-based battery.

Lithium battery

EKT is one of the leading forklift battery manufacturers. We provide high-quality forklift batteries and top service. The 80V lithium forklift battery is ideal for heavy-duty forklift use and can quickly charge when needed. They also have a high storage capacity and hold their charge well even after long periods of inactivity.

Lithium battery system

Innovative secondary battery technology based on solid engineering knowledge to provide cost-effective storage solutions for the commercial market. ? Resistant to vibration, shock, and vibration ? High cranking power and reserve capacity ? Long shelf life, low maintenance cost
