Empo ni off grid solutions Jordan

Modular Pivot DRIVE , EMPO-NI off-grid

EMPO-NI's entirely PV-solar powered system for smaller pivot irrigation requirements has selected for the European Union funded research project "WEAM4i" that researched potential solutions for small off-grid pivot irrigation systems. Today the modular Pivot Drive 550 high torque is

PRODUCTS , EMPO-NI off-grid

EMPO-NI Devises and applications for off-grid use. EMPO-NI Devises and applications for off-grid use. top of page. HOME. Neue Seite. Solar Direct Drives; Solar Direct Drives; SDD Low Cost Set with Pump; oil press SDD off-grid kit 1.1kW; Activation through PayGo; Irrigation solutions SDD PayGo; Solar Golf Charger Set; PV- modul integrated

EMPO-NI off-grid solutions for productive use

EMPO-NI develops standard and customized off-grid solutions. Our experienced engineering team has large expertise in power electronics, control techniques, DSP FPGA and software engineering as well as analogue and digital circuitry using latest CAD, simulation and rapid prototyping toolchains.

EMPO-NI gets Paygo-empowered through PayOps Flexible Solutions

We're pleased to announce that EMPO-NI 's Solar Direct Drive (SDD), the photovoltaic (PV) solar-powered motor drive solution engineered by the innovative German manufacturer of off-grid solutions for productive use, now incorporates Paygo capabilities via PaygOps, the interoperable and flexible last-mile management software by Solaris Offgrid

EMPO-NI off-grid solutions for productive use

EMPO-NI develops standard and customized off-grid solutions. Our experienced engineering team has large expertise in power electronics, control techniques, DSP FPGA and software engineering as well as analogue and digital circuitry ...

EMPO-NI Off-grid Solutions

EMPO-NI oil press PV off-grid kit with temperature controlled oil press based on EMPO-NI's Solar Direct Drive. All our products and system solutions are ENGINEERED and MADE IN GERMANY - we care and design-in exceptional quality into our reliable products.

We're pleased to announce that EMPO-NI 's Solar Direct Drive (SDD), the photovoltaic (PV) solar-powered motor drive solution engineered by the innovative German ...

Emponi Profile

We create solar solutions engineered and made in germany. Empo-ni develops equipment for standard off-grid applications as well as custom designs. Our engineering team creates mathematical models, programs microcontroller and develops digital, analogue and power electronics circuits.
