Energport Company Profile , Management and Employees List

Energport is a leading US based supplier of turnkey energy storage and management platforms for the residential, commercial, industrial, and utility markets with over 500WMh of capacity ...

Energport - We make energy efficient!

Energport supplied a 5 MW / 12MWh battery energy storage system deployed as part of a

clean energy microgrid project at a corporate campus. The system will help provide resiliency along with bill savings from demand response and time of use programs.

About - Energport

Founded in 2016, Energport, Inc. is a Silicon Valley based supplier of integrated energy storage systems leveraging automotive grade, lithium-iron phosphate battery cells. Lithium-iron phosphate is the safest lithium-ion battery chemistry on the market, and is the optimal chemistry for stationary storage.

Products & Services - Energport

The Energport line of indoor commercial & industrial energy storage system provides a fully integrated, turnkey energy storage solution. Leveraging lithium iron phosphate batteries utilized in hundreds of thousands of electric vehicles, ...

Energport Begins Installation of a 72MW/72MWH Battery Energy ...

Today Energport Inc. announced it had commenced installation of a 72MW/72MWH Battery Energy Storage System (BESS) for a major global independent power ...
