## Epro solar Marshall Islands

---

### Solar System Installers in Marshall Islands

List of Marshallese solar panel installers - showing companies in Marshall Islands that undertake solar panel installation, including rooftop and standalone solar systems.

### Solar Projects

We have been providing solar power systems to schools, hospitals, community halls, churches and homes all over the Marshall Islands. On many of these islands there is no central power grid, and therefore small-scale locally generated power systems greatly benefit the local population by minimizing the use of expensive imported fuel.

### National Energy Office

Over 23 Atolls in the Marshall Island have been relying on Solar Home System for over ten years now, the home system has allowed users to enjoy lighting system, power to the computer, washing machine, laptops, radio, and other electrical accessories which somehow has provided comfort to living in outer island.
