About us

The SOLEK Group, founded by Czech entrepreneur Zdenek Sobotka, stands as a global leader in photovoltaic energy production and supply since its establishment in 2010. Renowned for innovation in renewable and sustainable energy, SOLEK develops, builds, owns, and operates (IPP) solar power plants across Europe and Latin America.

SOLEK

SOLEK Group is now focusing on new and emerging markets while diversifying operations to include Floating PV, Hydrogen, Wind, Agrivoltaics, and Battery Storage. In its first decade, SOLEK Group operated primarily as a developer, selling projects to major established American and European Investors and Utilities.
