Policy Is Promoting a Revolution of Renewable Energy in Eswatini

By investing in renewable energy and expanding electric connectivity, the government aims to liberate unelectrified Swazi citizens from the energy poverty trap, enabling them to realize their untapped potential. These are the four key sectors of renewable energy in Eswatini that are receiving strategic government investments and support.

Eswatini: Solar PV-Embedded Generation Market

On behalf of Business Eswatini, it is a privilege to introduce this insightful market report on

embedded solar generation. As the world transitions toward cleaner, more sustainable energy solutions, the role of solar power is at the forefront of innovation, offering exciting new avenues for growth and development.

INTEGRATED DESIGN
EASY TO TRANSPORT AND INSTALL,
FLEXIBLE DEPLOYMENT

Management Team

Throughout his career, Klaus has demonstrated a strong ability to analyze market conditions and implement innovative solutions that drive growth and sustainability. His leadership skills in project development, managing large-scale ...

Project Development

At INTEC, we carefully monitor every project phase, from site selection through the entire approval process to grid connection, to minimize risks for our customers and investors. We ensure systematic Project Development by using our entire expertise from EPC and O& M.

About INTEC

INTEC Energy Solutions offers its valued customers best-in-class Engineering, Procurement, Construction (EPC), Development, Consultancy, Operations & Maintenance services, and new energy solutions. INTEC excels in creating and developing top-tier, turnkey solar power plants and BESS solutions worldwide, embodying a commitment to excellence and

Management Team

Throughout his career, Klaus has demonstrated a strong ability to analyze market conditions and implement innovative solutions that drive growth and sustainability. His leadership skills in project development, managing large-scale photovoltaic projects and his commitment to renewable energy make him an invaluable asset to INTEC Energy Solutions.
