### Who we are

Exus Management Partners (Exus) is a renewables asset management and development firm. We work on behalf of an increasing variety of investors to source investment opportunities, acquire assets and undertake full technical and

commercial management of renewable energy portfolios worldwide.

### Exus Partners : The Real Asset

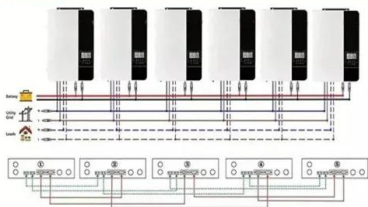

At the vanguard of renewable energy management on a global scale, Exus Partners delivers operational optimization to minimize losses and maximize revenues. We find out more with Partner and Head of Asset Management, Dhaval Bhalodia.

### The team

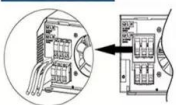

Exus was founded on working together to develop our people and best serve our clients. We speak the truth and believe in providing full visibility when doing business. At Exus we hold ourselves to the highest possible standards and continue to be the investor of choice for the renewable industry.
