Firman solar panels South Africa

Solarworld

Leading provider of solar energy solutions in Southern Africa, SOLARWORLD Africa, is proud to announce it is the first company locally to... More > Solutions for South Africans seeking alternative power sources

Inexpensive hybrid inverter suggestion

I run the same inverter with 2 x US3000BS and 6 x 315W panels and it serves me very well. The geyser and oven/hob bypass the inverter. Everything works flawlessly and it is the perfect starter system and can easily be scaled up as required.
