

First quarter solar container orders

Overview

Net sales for the first quarter were \$0.8 billion, a decrease of \$0.7 billion from the prior quarter. The decrease in net sales was primarily due to an anticipated seasonal reduction in the volume of modules sold. TEMPE, Ariz.-- (BUSINESS WIRE)-- First Solar, Inc. (Nasdaq: FSLR) (the "Company") today announced financial results for the first quarter ended March 31, 2025, and issued revised guidance to reflect the expected impact of the implementation of new tariffs in April 2025. Net sales for the first. TEMPE, Arizona, April 29, 2025 - First Solar, Inc. (Nasdaq: FSLR) (the "Company") today announced financial results for the first quarter ended March 31, 2025 and issued revised guidance to reflect the expected impact of the implementation of new tariffs in April 2025. Net sales for the first. The North American region remains the largest market for solar containers, driven by a strong emphasis on renewable energy adoption. Asia-Pacific is emerging as the fastest-growing region, fueled by rapid urbanization and energy needs in developing countries. The residential segment continues to. First Solar, Inc., a leading photovoltaic solar technology and manufacturing company, has released its financial results for the first quarter of 2025. The company also revised its guidance to reflect the expected impact of new tariffs implemented in April 2025. Financial Highlights For the first. The on-grid version of the solarfold container is connected directly to the public power grid and can supply up to 40single-family homes with the energy produced (energy requirement of 3,500 kW/year/single-family house). The solarfold on-grid container can also be expanded with various storage. First Solar, Inc. (Nasdaq: FSLR) (the "Company") today announced financial results for the first quarter ended March 31, 2025, and issued revised guidance to reflect the expected impact of the implementation of new tariffs in April 2025. Net sales for the first quarter were \$0.8 billion, a decrease.
