### TSK Flagsol

TSK Flagsol is an engineering company specialized on energy projects, with high expertise in the field of concentrated solar power (CSP). Within our group, we cover the entire value chain: Consulting services and turnkey solutions for comprehensive solar thermal power plants or parts thereof, e. g. solar fields (based on in-house developed collector designs), heat transfer ...

### Copy of TSK Flagsol Engineering GmbH

TSK Flagsol Engineering GmbH. TSK Flagsol offers expertise in large solar thermal power plants with a capacity of 50 to 250 megawatts- from project development and financing to turnkey construction. +34 984 49 -5195,mob +49 151 5049 1539 E-mail: oliver.baudson@flagsol , info@flagsol .

### TSK Flagsol Engineering GmbH, Köln

TSK Flagsol has adopted a leading position worldwide in the market for solar-thermal power plants. High-quality services and innovative products for parabolic trough power plants have made us pioneers in this field - in Spain and Egypt -, we provided the technology for each of these countries' first parabolic trough plants.

## Flagsol GmbH / Solar Millennium AG

Flagsol is a subsidiary of Solar Millennium, one of the world leading project developers for large-scale solar thermal power plants. This promising technology is truly sustainable, as the sun's energy is harvested. Suitable for units larger than 50 MW, our plants generate heat from focussing the sunlight with parabolic mirrors.
