Products

High-voltage expandable and stackable energy storage battery with IP67 IP rating. o Residential & Commerical use o 10.2 - 61.5 kWh storage capacity o From 80V to 615V o Modular expandable design o Lithium-ion phosphate technology o IP67 IP rating - Dust & heavy rain pour water resistant o Built-in battery

management system

Rack Mounted BATTERY from Voltsmile

When it comes to energy storage solutions, the Voltsmile V10+ stands out with its impressive specifications. Featuring a robust 51.2V voltage and a substantial 100AH capacity, this rack-mounted LI-ION battery offers a reliable power source for a variety of applications.

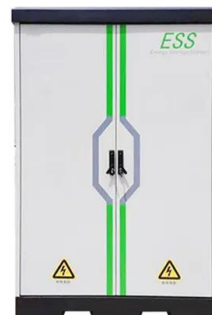

LI-ION BATTERY 51.2V 100AH from Voltsmile V10 series

In conclusion, the Voltsmile V10 Rack Mounted LI-ION BATTERY 51.2V 100AH is a top-tier home energy solution that combines high voltage and capacity, cutting-edge design, versatile functionality, and reliable and sustainable performance. ...

Voltsmile , C512 High-Voltage Battery System

With an impressive voltage of 512V and a substantial capacity of 51.2kWh, the Voltsmile C512 ensures reliable and efficient power storage, making it the ideal choice for high-capacity energy needs.
