The Local Public Sector Alliance: A Short History

A short history of the Local Public Sector Alliance ought to reflect its roots and foundations, going back to WBI's Fiscal Decentralization Initiative; the activities of its precursor--the Local Public Sector Initiative--at the Urban Institute (2010-2015); its transition period (2015-2021); LPSA becoming a stand-alone non-profit

A Methodology for Living Probabilistic Safety Assessment (LPSA)

LPSA is a technology which allows the performance of PSA within an appropriately small time period and which is up dated sufficiently regularly to remain valid at all times [9]. A system ...

A Review: Advancement in Probabilistic Safety Assessment and ...

Probabilistic Safety Assessment (PSA) and Living Probabilistic Safety Assessment (LPSA) are two of them, which are presented in this review paper. The paper consists of four parts, in first part latest application of PSA in second part definitions and methodology of LPSA, in third part risk monitoring and in fourth part comparison between these

A Methodology for Living Probabilistic Safety Assessment (LPSA)

LPSA is a technology which allows the performance of PSA within an appropriately small time period and which is up dated sufficiently regularly to remain valid at all times [9]. A system which uses PSA data and computer software to provide risk level and plant current working state is known as LPSA 2.1 Methodology for LPSA

Living Probabilistic Safety Assessment (LPSA)

The LPSA would be used by designers, utility and regulatory personnel for a variety of purposes according to their needs, such as design verification, assessment of potential changes to

A methodology for Living Probabilistic Safety Assessment (LPSA...)

The core of LPSA is a risk model of the plant which adequately reflects the current design and operational features (IAEA, 1999a). LPSA can also be defined in different ways such as a daily safety management system which is based on

plant specific PSA and supporting information system.

Study on evidence-based LPSA method in nuclear power plant ...

In order to reduce the workload of plant personnel in LPSA model updating and improve the rationality of the LPSA results, this paper proposes an evidence-based reasoning ...

Probabilistic Safety Assessment (PSA) and Living Probabilistic Safety Assessment (LPSA) are two of them, which are presented in this review paper. The paper consists of four parts, in first ...

Living probabilistic safety assessment (LPSA)

A "living PSA" (LPSA) can be defined as a PSA of the plant, which is updated as necessary to reflect the current design and operational features, and is documented in such a way that each aspect of the model can be directly related to existing plant information, plant

Living probabilistic safety assessment (LPSA)

A "living PSA" (LPSA) can be defined as a PSA of the plant, which is updated as necessary to reflect the current design and operational features, and is documented in such a way that each ...

Study on evidence-based LPSA method in nuclear power plant ...

In order to reduce the workload of plant personnel in LPSA model updating and improve the rationality of the LPSA results, this paper proposes an evidence-based reasoning approach to model the information processing process of plant personnel under specific abnormal condition of the plant, and synthesize it into LPSA model updating process.
