Should Britain relinquish sovereignty over the British Indian Ocean

On 3rd October, His Majesty's (HM) Government announced an agreement to cede sovereignty of the British Indian Ocean Territory (BIOT) - otherwise known as the Chagos archipelago - to Mauritius. This decision has aroused considerable debate from across the political spectrum, and beyond British shores.

British Indian Ocean Territory: Sovereignty

How can the Minister continue to defend the ceding of the Chagos islands to Mauritius when China is rapidly expanding its influence in the Indo-Pacific? With no binding agreement against Chinese military involvement in the future, have the Government recklessly compromised British and allied security just to appease vested interests?

Policy Exchange

The defence facilities in the British Indian Ocean Territory help to protect people in Britain and around the world from terrorist threats, organised crime and piracy. We reiterate our long-standing commitment to cede sovereignty

when we no longer need the territory to help keep us and others safe.
