## FIRST SOLAR SERIES-6 STANDARD ECOSYSTEM SPECIFICATIONS ...

APA is a premier EcoSystem partner with First Solar since 2010. Our robust design has stood the test of time with more than a million thin film modules installed on APA hardware. We have the field experience you are looking for with projects of all sizes and soil types. As a racking manufacturer and installer, APA is

## APA Solar Racking explains its concrete-free ballast ground ...

APA Solar Racking has changed the ground-mount ballast market by offering a concrete-free design. Featured at Intersolar this year, APA's Geoballast Foundation was developed after years of installing ballasted solar projects. The utilization of wet concrete simply had so many hidden extra steps that would constantly increase man hours on
