

# **Guam 2kva off grid solar system**

## Guam 2kva off grid solar system

---

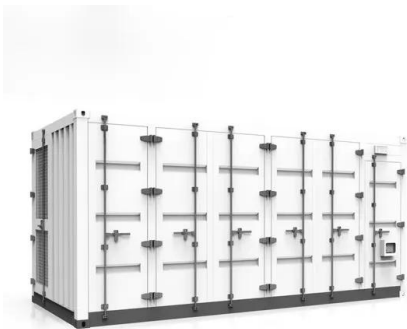

### Off-Grid Tied Solar Systems, Pacific Solar Guam

An off-grid photovoltaic system has the same principals as a grid-tied system with a few additional components like the charge controller, DC load center and a battery bank.

### Guam Solar & Battery Storage Distributor

EcoDirect designs and supplies solar + battery projects in Guam, Saipan, Tinian and Rota. Our team has the tools and experience to get your next project designed and delivered. Request a Quote!

### PV Systems

Photovoltaic systems are a great investment both financially and environmentally. The system is insurable and financeable due to the local structural engineering that is involved. Also see grid-tied and off-grid for more information.

### Off Grid/Hybrid Solar Generator

Our Solar Generator is an off-grid/hybrid solar system. Its an energy system that generates electricity from solar panels and stores excess energy in batteries for later use, while powering your home.
