Guernsey Gas is now Guernsey Energy

Guernsey Gas has been rebranded as Guernsey Energy in line with a change of direction for the business. The company, which has been providing energy for the island for nearly 200 years, says it wants to shift its focus to providing customers with choice in energy management solutions and supporting Guernsey's energy transition.

Smart Ways to Save , Guernsey Electricity

Smart plugs allow you to control your devices

remotely, making it easier to switch on (and off, when you forget the heating) those appliances even when you're not at home. How do they work? They are controlled via an app, and you control your appliances power with a simple touch of a button, saving on your electricity bills.

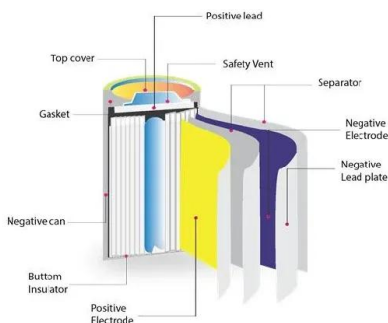

Brand new energy for Guernsey Gas, Jersey Gas and Manx Gas

As well as rebranding, the company has launched smart home technology from leading brands Hive and Tado to give customers greater choice and control over their energy use. These devices are available on an affordable subscription basis and installed by engineers.

Home , Guernsey Electricity

Guernsey Electricity's long-term strategy is for an energy system that supports renewables and reduces the reliance on fossil fuels to use the power station for emergency generation only. See for yourself the challenging road ahead.
