

# **Guolian group develops solar container technology**

## Overview

---

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail system and no shading from a remaining container structure. PVTIME – In a signing ceremony, CMEC Guolian joined forces with Tonic Group (TG) and Precious Iron (PI) to embark on an ambitious solar energy project in Western Australia. The signing ceremony, which took place in Wuxi, formalised the agreement to develop a cutting-edge solar photovoltaic project. leading high-tech company focused on the design, manufacturing, and distribution of innovative new energy products and home lighting solutions. Established in 2015, is a leading high-tech company focused on the design, manufacturing, and distribution of innovative new energy products and home. We make mobile solar containers easy to transport, install and use. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar. Guolian Green Technology (Wuxi) Joint Stock Co., Ltd. is a joint venture enterprise mainly engaged in energy conservation and environmental protection incorporated with joint contribution of Wuxi Guolian Group, Johnson Controls, Industrial Bank and Wuxi Metro, with registered capital of 200 million. Recently, Li Keqiang, member of the Standing Committee of the Political Bureau of the CPC Central Committee, Premier of the State Council, and the National Leading Group for Climate Change and Energy Conservation and Emission Reduction, chaired the leadership group meeting. Han Zheng, member of the. Learn about our journey as a premier solar container solutions provider, our manufacturing facilities, and our commitment to sustainable energy innovation. Established in 2012 and operating from Shanghai, China, Shanghai LZY Energy Storage Co., Ltd. is a scientific and technological innovative.
