...

Multiple Charging Options: You can charge the APOWER1000 using mains power, a car charger, or even solar charging, giving you flexibility and convenience wherever you are. 4. High Power Outputs: With PD100W and PD22.5W Type-C outputs, along with four 18W USB outputs, this power station is capable of charging devices at high speeds.

### **Human activities - Heard and McDonald Islands**

Personnel usually split into project-specific groups, accommodated in huts or tents at Spit Bay, Atlas Cove and other minor camps distributed across the island. Power is supplied by small diesel generators, solar cells and wind generators.

### **Bespoke Acoustic & Modular Enclosure Specialists , ADE Power Ltd**

Our capabilities range from bespoke acoustic generator enclosures, to secure, temperature-regulated switchgear modules, tailored to meet even the most stringent site specifications,

footprints, regulations, and operating conditions.
