## Himoinsa the energy Guam

---

### TECHNOLOGY

This versatile HIMOINSA gas generator is able to work with both NG and LPG without loss of power. The design of the 40-foot container has given priority to operation and maintenance, which means there is no need to install any external elements.

### HIMOINSA

We supply power generation equipment to the international market; generator sets, lighting towers, energy storage and distribution systems. We are part of YANMAR ENERGY SYSTEM (YES), offering a comprehensive power ...

### About us - HGY Series - Himoinsa

HIMOINSA's HGY series has one of the most outstandingly low fuel consumption indices on the market, guaranteeing efficient consumption management and constant performance while at the same time reducing operation costs and ...

### HIMOINSA

HIMOINSA gas generator sets are available worldwide, and can be powered by LPG, biogas and natural gas. With a power output range of 8kW to 1,500kW the set offers low-noise levels and vibrations. They also provide lower

maintenance costs and lower emissions than the diesel generator option.

To Strive forward No Energy Waste

- ✓ All in one
- ✓ 100-215kWh High-capacity
- ✓ Intelligent Integration

### HIMOINSA a Yanmar Company, Generator Sets, Lighting towers

Energy solutions for the telecommunications sector looking for reliable equip-ment, with great autonomy, low consumption levels and long service intervals. Power Solutions Generator sets for critical power supply, data centres, IPP, me-dium voltage, power stations, etc

### News list

HIMOINSA presents new EHR models with greater storage capacity and 33% more available energy The EHR 45/70 and EHR 45/90 in 50Hz, and the EHR 30/70 and EHR 30/90 in 60Hz are the new 'Battery Power Generators', all incorporated into the EHR25 canopy.

- ✓ ALL IN ONE
