### Honduras launches tender for a battery energy storage system

Honduras announces a tender for the installation of an energy storage system with batteries (BESS) at the Amarateca substation, aiming to improve electrical supply stability. Deadline: October 23, 2024.

### Honduras: Six bids for 'ambitious' 300MWh energy storage ...

The public event marked the opening of bids for the energy storage procurement, called LPI-001-ENEE-UEPER-2024, for the 'Supply, installation, testing and commissioning of a battery energy storage system (BESS) with a capacity of 75MW/300 MWh at the Amarateca substation'.

### Wartsila-Roatan Island Battery Energy Storage System, Honduras

The Wartsila-Roatan Island Battery Energy Storage System is a 10,000kW energy storage project located in Island of Roatan, Bay Islands, Honduras. The rated storage capacity of the project is 26,000kWh.

### Honduras to reform electricity market to facilitate energy storage

Renewable generation now accounts for 22% of Honduras' electricity mix, but growth has been limited by its transmission system operator (TSO)

CND to ensure quality and security of supply. Energy storage will be key to continuing to ensure that while increasing renewables, the CREE said.

### Honduras to reform electricity market for energy storage

Honduras has launched a consultation on regulatory changes to its electricity network to help better integrate energy storage, which it said is key to maintaining the stability, efficiency and sustainability of the network.

### Honduras

Fortune CP provides innovative renewable energy products and services in Honduras. These include solar components (solar panels, inverters, batteries), off-grid and grid-tie solar systems for commercial, industrial and residential applications, battery energy storage systems, energy efficient LED lighting systems, solar water heating products
