HOPPECKE INDUSTRIAL BATTERIES LIMITED

HOPPECKE INDUSTRIAL BATTERIES LIMITED - Free company information from Companies House including registered office address, filing history, accounts, annual return, officers,

PRODUCT INFORMATION

- BATTERY CAPACITY**
50kWh-500kWh
- DC VOLTAGE RANGE**
400V-1000V
- DEGREE OF PROTECTION**
IP54
- OPERATING TEMPERATURE RANGE**
-10-50°C

Higher Anti-Rust Performance
Lower Internal Impedance

Hoppecke

HOPPECKE is an expert in industrial batteries and energy storage solutions. HOPPECKE offer energy storage solutions in the four main functional areas of emission-free drives (trak), secured power supply (grid), storage of regenerative energies (sun) and railway / metro-systems (rail).

HOPPECKE , RBD Rail Business Daily Directory

Hoppecke Industrial Batteries has been servicing the UK's energy requirements in a range of industries since the early 1980s. We offer energy storage solutions in the four main application

areas of emission-free drives (trak), secured power supply (grid), storage of regenerative energies (sun) and railway- / metro-systems (rail).

HOPPECKE Industrial Batteries Information

Since 1927 we have been developing and producing batteries and systems "Made in Germany". The UK operation was set up in the early 1980s in Newcastle-under-Lyme, Staffordshire, home to final battery assembly and manufacturer of battery changing and charging systems.

HOPPECKE

In this world where everything is going electric, HOPPECKE is your partner for sustainable and technology-independent energy solutions. Choose from lead-acid, nickel fibre structure (FNC®) or lithium-ion storage technologies - ...

HOPPECKE Industrial Batteries Ltd., United Kingdom

Hoppecke Industrial Batteries has been servicing the UK's energy requirements in a range of industries since the early 1980s. We offer energy storage solutions in the four main application areas of emission-free drives (trak), secured power supply (grid), storage of regenerative energies (sun) and railway- / metro-systems (rail).

HOPPECKE BATTERIEN GMBH & CO. KG

Our portfolio includes batteries and cells, charging technologies, monitoring, battery exchange, as well as complete energy systems, turnkey battery charging stations, and service solutions. We have all proven and relevant storage technologies in our portfolio: lead-acid, nickel-cadmium, and lithium-ion technologies.

HOPPECKE

In this world where everything is going electric, HOPPECKE is your partner for sustainable and technology-independent energy solutions. Choose from lead-acid, nickel fibre structure (FNC®) or lithium-ion storage technologies - HOPPECKE offers all relevant storage technologies.
