## Kosovo the solar power

---

### EIB backs 120-MWp solar project in Kosovo , Solar Power News

The European Investment Bank (EIB) said on Monday that it has signed a EUR-33-million (USD 35.9m) investment loan for the construction of a solar farm with a targeted capacity of 100 MW/120 MWp in Kosovo.

### First photovoltaic power plant for Kosovo , KfW Development Bank

The solar power plant will help save more than 130,000 tonnes of carbon dioxide emissions annually. In total, 152 GWh of green electricity will be produced annually, benefiting Kosovo households, public institutions and companies.

### Kosovo: EIB accelerates green transition with EUR33 million for new solar ...

The EIB is providing EUR33 million for the construction of one of Kosovo's largest solar photovoltaic plants. In line with the EU Global Gateway initiative, the project will also benefit from a EUR29 million loan from the KfW Development Bank and a EUR32 million EU grant channelled through the Western Balkans Investment Framework

### Kosovo, Solar4Kosovo - Photovoltaic Plant

This investment project will install a solar

photovoltaic plant of up to 100 MW capacity on former ash dump fields near Kosovo A thermal power plant. This will be the first large-scale solar photovoltaic plant in Kosovo and will increase installed capacities tenfold from 10.1 MW to ...

### **European Investment Bank Funds EUR33 Million for 100 MWac Solar ...**

The European Investment Bank (EIB) has entered into an agreement to finance the construction of a significant solar photovoltaic plant near Pristina, Kosovo, with a EUR33 million investment loan. This plant, one of the largest in the region with a potential capacity of 100 MWac (120MWp), is set to bolster the region's green energy capacity by

### **Kosovo: new solar plant accelerating green transition**

To support the green transition in Kosovo\*, one of its largest solar photovoltaic plants will be constructed on former ash dump fields near Pristina with a capacity of up to 100 MW. The electricity sector in Kosovo is almost entirely dependent on coal-fired power plants.

### **Kosovo\* initiates solar power auction for up to 105 MW**

The Ministry of Economy of Kosovo\* vowed to expedite the legal procedure for a solar power plant for which it would award a 15-year power purchase agreement, PPA, under its first competitive procedure in the sector.

### **Kosovo\* completes first solar power auction at EUR 48.88 per MWh**

The group won the first renewable electricity auction in Kosovo\* with a bid of EUR 48.88 per MWh. Almost a year since the initial public call, the Ministry of Economy in Prishtina completed its pilot solar power auction.
