Power Giants CEO, Dr Edzai Kachirekwa lands top aw

Just this week, Dr Kachirekwa's Power Giants Africa, through its Kenyan subsidiary, Cobin Power Giants Kenya, embarked on the multi-million-dollar and 100MW Kibwezi Solar Park project in the east African country, in perhaps one of the greatest strides by a firm with Zimbabwean roots in that region.

The Solar Panel Fields

Kibwezi Sunpower & Tauber Solar S plans, finances and operates major solar power plants on rooftops and in open spaces in Germany and the rest of Europe. Since its foundation in 2001, the Group has already completed over 520 solar power plants, including the largest roof-top plants in the world, which are now providing clean energy.

Change for the better in Kyrgyz Republic's renewable energy sector

The expediency of the accelerated development of renewable energy sources in the Kyrgyz Republic is accentuated by the current shortage of electric energy - today the energy sector faces an acute problem of commissioning new capacities, both large and small, for production of electrical energy.
