

Lebanon subsidizes solar container projects

Overview

Lebanon's Minister of Energy and Water, Joe Saadi, signed power purchase agreements (PPAs) with Joe Dakkak, General Manager of CMA CGM in Lebanon and the Near East, to boost solar energy use, increase electricity production, lower costs, and reduce pollution. Since its energy and financial systems collapsed in 2019–21, Lebanon has experienced a rapid solar boom—with solar production increasing tenfold in just a few years—that has profoundly altered and decentralized the country's energy system. This boom has seemingly plateaued, but with a new. After blasts involving pagers and walkie-talkies tied to Hezbollah members, several home solar energy systems have now exploded across Beirut, according to AP News, citing Lebanon's official news agency. Lebanon faces further turmoil as explosions continue to rock the country. [pdf] Summary: While Lebanon signs agreements with CMA CGM to build three solar power plants, increasing clean energy production, reducing costs, and creating local job opportunities. BEIRUT (Enmaeya News) — September 25, 2025 Lebanon's Minister of Energy and Water, Joe Saadi, signed power purchase agreements (PPAs). This has pushed tens of thousands of Lebanese to look for alternatives - and notably to solar photovoltaics - in an attempt to ensure their basic electricity coverage. Since early 2020, solar panels have sprouted across Lebanon, from urban rooftops to agricultural lands. According to the. In June 2025, SolarEast Energy Storage successfully deployed a 2.5MW/5MWh, liquid-cooling energy storage system for a plastic factory in Lebanon. Designed for seamless integration with solar PV, diesel generators, and unstable local grids, the system enhances energy reliability, boosts energy. Lebanon advances its energy transition as Minister Joe Saddi signs solar power agreements with CMA CGM's Joe Dakak. ©Al-Markazia Lebanon took a significant step toward its energy transition on Tuesday, as Minister of Energy Joe Saddi signed power purchase agreements with Joe Dakak, managing.
