Magna energy storage systems usa Saint Lucia

Magna Energy Storage

Manufacturer of lithium energy storage system. The platform manufactures lithium energy storage systems that can be used for stabilization of networks, stabilization of distribution networks in electric fields, electromobility, and more applications.

Energy Storage Systems

Magna develops and manufactures high-quality dual-fuel CNG fuel-tank systems. These fuel tank systems consist of a deep-drawn plastic tank for gasoline and several CNG type IV containers. All the components, including mandatory impact protection, are accommodated in a single frame, so installing them in the vehicle is quick, simple and safe.
