### EMA , Consumer Information: Solar

Get an overview of EMA's regulations and market registration schemes that apply to your solar installation. Solar Generation Profile Learn how solar generation output is estimated and how you can apply this to your own solar installation.

### Solar , EMA

As part of our national solar efforts, Singapore targets to deploy: 1.5 gigawatt-peak (GWp) of solar energy by 2025 and; At least 2 GWp by 2030, equivalent to meeting the annual electricity needs of around 350,000 households. In the longer term, solar will allow us to meet about 10% of our projected electricity demand in 2050.
