Our proven experience and know-how allow us to offer you high-performance and reliable technologies, designed to last over time. Your project, our commitment: AMBI Energy supports you towards safe and reliable renewable energy.

Akuo authorised to build 50-MW battery in New Caledonia , Energy

The government of New Caledonia, a French overseas territory in Polynesia, has given the

green light to the construction of a 50-MW/150-MWh battery energy storage system (BESS) by domestic renewable power producer and developer Akuo.

Production of renewable energy in New Caledonia , Akuo

Akuo has been able to support this ramping up of New Caledonia's renewable energy issues by winning two separate calls for tender - 35 MW of solar and 30 MW of wind - located in the South Province that illustrate, through their size and location, the ...
