Instant Off-Grid(TM) Shipping Containers with Solar and Batteries and AC+

Beyond mounting the solar panels on the roof of the container on delivery, NO wiring or assembly is required to have your own storage, living space or workspace ready in just a few hours.

Add a generator into scrap mechanic : r/ScrapMechanic

The solar panel would only generate power during the day, creating a day/night electric fuel economy. Partnered up with battery-requiring lights and controllers, etc, this would be awesome.

Renewable Solar Container Generators

Each solar-powered shipping container generator is transportable, securable, and can be fully customized to your specific needs, including hybrid and microgrid compatibility.

Addressing Storage as a Mechanic + More

My suggestion regarding storage as a mechanic is to add a couple of these larger storage units to mechanic shops, and have them be fixed to the building so you can't take them with you. ...
