Midnite Solar Batteries

Alright guys since we have one heck of a thread going on the new Midnite The One AIO I thought I would go ahead and start a separate thread for discussion and review of the upcoming Midnite Battery Systems both server rack and larger modular sizes. First question when can we expect to see pricing and availability?

MidNite Power MNPowerflo5 - 5.12kWh LiFePO4 Solar ESS ...

The MidNite Power MNPowerflo5 is a lithium iron phosphate (LiFePO4) solar energy storage system (ESS) battery with a capacity of 5.12 kWh. Designed for renewable energy applications, it provides reliable power storage, enhances energy efficiency, and supports off-grid living or backup power solutions.

MidNite Solar MN15-KW-AIO All In One Inverter

Introducing The One from MidNite Solar - The company you know and trust. The MidNite All In One is a 11,400 watt system that features three powerful MPPT charge controllers and three 120/240VAC programmable outputs that can be utilized for load shedding or opportunity loads. Power Factor > 0.99 @rated power (Adjustable 0.8 LG - 0.8 LD) THDI

How good is Felicity solar LiFePO4 batteries

I've had a set of Felicity 24v LiFePO4 batteries installed for about 2 months now. Thus far, they seem to work great. They are a big improvement over my aging/failing AGM batteries. Here in Cameroon, I was surprised to find that the lithium batteries are within a reasonable price range as compared to the other common batteries in the market: Gel.
