Mobile photovoltaic system Canada

Go Solar Guide

This makes it easy to find a CanREA member company near you to install your solar PV system. Find out why the Go Solar Guide is the go-to resource for Canadian homeowners and small businesses interested in installing solar PV on their rooftops and homes.

Solar Photovoltaic Energy

In Canada, Photovoltaic (PV) technology has become a favoured form of renewable energy technology due to a number of social and economic factors, including the need to reduce greenhouse gas (GHG) emissions, deregulation, and the restructuring of electric power generating companies.
