TMK Energy and Jade Gas Holdings: Leading the Way in Mongolia

Explore the journey of TMK Energy and Jade Gas Holdings as they accelerate towards commercial gas rates in Mongolia by leveraging advanced drilling techniques and ...

Mongolia: A Mind-blowing Adventure

Tusker's 15 day trek into Altai Tavan Bogd National Park of Mongolia follows the glacial melt rivers running through glacially carved valleys pockmarked with thousands of rock art petroglyphs recording the living history of this land.

Only four national companies have presented themselves as

The list of the four Angolan companies to present themselves as operators is completed by Tusker Energy - owned by two Angolans who are sons of Paul Laker, a South ...

About The Mongolia Trek

A journey into the Mongolian Altai Mountains in the Tavn Bogd National Park is an adventure you will never forget. If you had only one adventure left in you, this is it. You embark on a journey ...

About The Mongolia Trek

A journey into the Mongolian Altai Mountains in the Tavn Bogd National Park is an adventure you will never forget. If you had only one adventure left in you, this is it. You embark on a journey to a hidden, rarely seen world with nomads as your companions on an expedition of discovery through western Mongolia, along the border with China.

Only four national companies have presented themselves as

The list of the four Angolan companies to present themselves as operators is completed by Tusker Energy - owned by two Angolans who are sons of Paul Laker, a South African who has been living in Angola for several years and operates in the oil sector - and by Mineral One - a public limited company.

Kilimanjaro and the Power of Nutrition , Tusker Trail

These meals are designed to kickstart your metabolism and provide you with sustained energy throughout the day. By starting your day with a balanced breakfast, you'll be ready to tackle the ever-ascending trails of Kilimanjaro with ...

Video: Mongolia with Tusker Trail in 100 Seconds

I'll begin sharing the tale of my Mongolia adventure tomorrow, but in the meantime I wanted to share a sneak peek at what my journey was actually like. I traveled to the remote Asian country with my friends at Tusker Trail. For about two weeks I explored the Altai Tavn Bogd National Park on horseback and foot.

To say that this was unlike any
