## Montenegro power storage box

---

### Montenegro's EPCG plans to build battery storage ...

Montenegrin power utility Elektroprivreda Crne Gore (EPCG) said it plans to develop a battery energy storage system (BESS) in order to take the full benefit of renewable energy production.

### Montenegro to launch 300 MWh battery storage tender

In a pioneering move for state-owned utilities in the Balkans, Montenegro's largest power utility, EPCG, is planning to launch a large-scale, battery energy storage procurement exercise by the end of 2024. The utility has also decided to install a 5 MWh battery energy storage system alongside its proposed Kapino Polje solar power plant

### Montenegro's EPCG to open battery storage systems tender by ...

Montenegrin power utility Elektroprivreda Crne Gore (EPCG) will launch by the end of 2024 a project for the development of battery energy storage systems (BESS)

### Montenegro's EPCG kicks off preparations to install batteries

Elektroprivreda Crne Gore, owned by the Government of Montenegro, started the preparations to install battery energy storage

systems. It is a pioneering move among state-owned power companies in the Western Balkans as well as in Southeastern Europe.

### Montenegro to Launch 300-MWh Battery Storage Tender

6 · Montenegro's Elektroprivreda Crne Gore (EPCG) has upped the ante for its first battery energy storage tender. In a pioneering move for state-owned utilities in the Balkans, Montenegro's largest power utility, EPCG, is planning to launch a large-scale, battery energy storage procurement exercise by the end of 2024.

### Montenegro's EPCG to launch public call for 300 MWh of batteries

4 · Montenegro's state-owned power utility, Elektroprivreda Crne Gore (EPCG), intends to invite bids by the end of the year for the installation of battery energy storage systems. The company plans to secure the flexibility of the power system by developing storage systems based on lithium-ion batteries, EPCG said.

### Montenegro's EPCG kicks off preparations to install ...
