| 5 | OPV1 side circuit breaker | 10 | MPPT                      |

## Morocco 5kw power station

### Thermal power plant

TAQA Morocco, operates the largest thermal complex of the Middle East and North African region. An industrial infrastructure of 6 Units totalling 2,056 MW. The power plant is ranked in the top quartile of the world's most efficient coal-fired power plants.

### Safi power station

The project includes the construction and operation of a 2 x 693 MW ultra-supercritical coal-fired power plant in the coastal Safi region and the sale of electricity to Morocco's national utility ONEE for 30 years following completion of the plant.

### Home Energy Storage (Stackble system)
